

13 May 2020

Dear Sir/Madam,

POSTPONEMENT OF 31ST MALAYSIA INTERNATIONAL MACHINERY FAIR (MIMF) IN CONJUNCTION WITH M'SIA-PACK & FOODPRO, M'SIA-PLAS, M'SIA-LIGHTING, LED & SIGN, M'SIA-BAKERY 2020

We would like to express our appreciation all from bottom of the heart for your long-standing effort and ongoing support that contribute to our success of **MIMF** which has been held annually at Kuala Lumpur since 1989.

Due to the heightened risk of Coronavirus (COVID-19) and all the threats that this poses, Malaysia has officially implemented the Conditioned Movement Control Order (CMCO) as a preventive measure effective by 13 May 2020 to 9 June 2020 and the event industry falls under the non-operated industry until 9 June 2020.

We are very concerned and understand that many of our exhibitors and attendees are dealing with uncertainty due to the novel of COVID-19 and the well-being of all the attendees are the organizer's top priority. Hence, **MIMF 2020** which originally scheduled to be held on 16-19 July 2020 at Malaysia International Trade & Exhibition Centre-MITEC will be **POSTPONED** to a **NEW DATE** until further notice to ensure successful participation and outcome for all.

Stay strong, stay safe and stay healthy! We will overcome this pandemic with joining hands and seeing you at the **MIMF**.

Thank you.

Organizer
